### Notes

1. Estimates based on consensus of analysts who have published forecasts since H1 24 results announcement on 19 July 2024
2. Forecasts for FY 2024 assume the consolidation of the results of ECP from 1 January 2024. Where analysts have not explicitly provided a view consolidating Bridgepoint and ECP for the full 12-month period they have agreed an appropriate pro-rating for comparison purposes.
3. Columns represent the average, highest and lowest analyst estimates for each line item and are not additive. Therefore, total values may not tie to the sum of components
